

QUALITY POLICY

The Company manufactures a wide range of products; it is committed to providing a first class service, ensuring that the WREKIN SHELL GROUP consistently meets the needs and expectations of its customers.

The WREKIN SHELL GROUP recognises that quality is an ever-changing practice and will ensure:

Commitment to meeting its statutory and regulatory requirements.

Continued improvement of its procedures and practices.

Total commitment to the requirements of ISO 9001:2015

Dedication to setting relevant quality objectives for the business and the means by which these can be monitored.

Training of personnel to ensure total and effective understanding of the Quality System.

As an aid to achieving the above targets, we will implement and maintain a 'risk based' management system that meets the requirements of BS EN ISO 9001:2015. The Quality Management System will be developed in the context of the organisation and will ensure alignment to the strategic business direction and will be driven by the "Plan, Do, Check, Act" improvement methodology upon which ISO 9001 is based.

Management shall ensure that this quality policy is understood, implemented and maintained at all levels within the organisation.
